The image shows a technical drawing of a gear. On the left is a side profile view of the gear, showing its thickness labeled 'B'. On the right is a top-down view of the gear, showing 18 teeth. The top-down view includes several concentric circles and labels: 'A' points to the outermost circle (pitch circle), 'B' points to the thickness of the gear body, 'C' points to the innermost circle (bore), 'D' points to the outer diameter of the gear body, 'E' points to the outer diameter of the gear teeth, and 'F' points to the width of the teeth.
